WHERE TECHNOLOGY GOES HAND IN HAND WITH ART.

LUXURY FOR EVERYONE
NOT JUST FOR ELITES

BRAND & MISSION

Unique, creative interior within the reach of everyone. We prove that at an affordable price you can conjure up true design wonders. All panels and stripes are designed and manufactured exclusively by Luxury Art – first in our heads, then in graphic programs and finally in the studio. We use high quality, ecological materials and we do not import already finished products, which makes us capable of offering really attractive prices. Moulding made by us is characterised by its intriguing design as well as its uniqueness and durability.

INDIVIDUAL DESIGN

OWN CONCEPTS

You can find a large number of interesting wall panels and finishing elements in different building or interior shops but you are always forced to rely the limited selection of common models. Luxury Art adopts a completely different approach. We design all decorations, we produce and deliver them to our customers. We have ready-made concept designs and specially prepared products, designed according to customer requirements. We will help you design the interior of your dreams – an artistically decorated apartment, where everything merges into one coherent whole.

PROVEN **BENEFITS**

- *Rich selection of patterns and large colour scheme*
- *Creative design according to your needs*
- *Ecological, modern solutions*
- *Long-term material and colour durability*
- *Friendly and non-invasive assembly*
- *Easy maintenance*
- *Highest quality impossible to imitate*

BROKEN

Expressive lines are a proposal for the confident person who wants to decorate a room by individual style. This 3D panel will allow you to achieve interesting interiors based on sharp lines.

HOOP

Laying out compositions using 3D panels with both embossed and convex dots that are placed one after another gives you an amazing artistic arrangement. This decoration will bring relaxing and calming mood to every room.

PRODUCT PARAMETERS	
WIDTH: 60 cm	HEIGHT: 60 cm
THICKNESS: 2,5 cm	WEIGHT: 5 kg
AREA: 0,36 m²	COLOUR: WHITE
MATERIAL MIXTURE OF SPECIALIZED GYPSUM	

SURGE

Unleash your imagination, breathe deeply and relax. The slightly undulated, asymmetrical, convex structure of the 3D panel resembles the surface of the lake disturbed by the wind. It is calming, soothing nerves with this arrangement.

THICKNESS: 3,5 cm	WEIGHT: 8 kg
AREA: 0,36 m²	COLOUR: WHITE
MATERIAL	MIXTURE OF SPECIALIZED GYPSUM

SEA

Imagine the surface of the corrugated sea... now look at this panel and tell us what you see. This is exactly what we wanted to achieve by designing this wavy 3D panel – the sea surface on your wall.

PRODUCT PARAMETERS	
WIDTH: 60 cm	HEIGHT: 60 cm
THICKNESS: 3,5 cm	WEIGHT: 5 kg
AREA: 0,36 m²	COLOUR: WHITE
MATERIAL	MIXTURE OF SPECIALIZED GYPSUM

DEEP

In the structure of the panel you can see the sands of the wind-driven desert. Just like on the surface of the desert mini dunes are created, just like here the structure of the panel reflects this amazing phenomenon.

PRODUCT PARAMETERS	
WIDTH: 60 cm	HEIGHT: 60 cm
THICKNESS: 2 cm	WEIGHT: 5 kg
AREA: 0,36 m ²	COLOUR: WHITE
MATERIAL	MIXTURE OF SPECIALIZED GYPSUM

SLAP

The geometric, sharp shape of this panel reflects the wall made of stone blocks. Interspersed with concave and convex rectangular blocks this will give any room the feeling of harmony and expressive style.

PRODUCT PARAMETERS	
WIDTH: 50 cm	HEIGHT: 50 cm
THICKNESS: 3,5 cm	WEIGHT: 7 kg
AREA: 0,25 m²	COLOUR: WHITE
